quote now

Dental Indemnity coverage pays cash benefits for dental checkups and treatments, helping customers catch small problems before they become big expenses. And when they add our Network Savings Card to the plan, customers save an average of 45% on additional dental care needs when they visit in-network providers.<sup>1</sup>

## Highlights

- Set benefits pay for preventive care and covered treatments — available to primary insured, their spouse, and any dependent children.
- No waiting period for preventive and basic services. Benefits are available on the plan's effective date.
- Dental Indemnity can be sold alone or added to any medical plan.
- Year-round this plan can be sold stand alone or to compliment other insurance.

## Plan features

- Three plans to choose from: Basic, Intermediate, and Plus.<sup>2</sup>
- Benefits for preventive and basic services available at all levels; major services covered only at the Plus level.
- The Network Savings Card gives members access to the Careington Maximum Care Dental Network, with in-network discounts on most services and discount vision programs.

## Eligibility

- Coverage for applicants from birth through age 94.<sup>3</sup>
- No health questionnaire required.
- [Availability varies by state.](#)
