quote now

List Bill allows multiple people to sign up for supplemental products under a single payor. And it requires low minimum enrollment – just two policies. So employers and groups can offer access to more products with simplified billing.

Highlights

- Available to employer and non-employer groups with two or more members.
- Simplified billing with a single payor for the group.
- Available for all products except Short Term Medical.¹
- Online access for account owners.
- Convenient monthly ACH draft or credit card payment.

It's as easy as 1-2-3

1. Get a List Bill Account Number when you set up the account in ABO.
2. Check the “Includes List Bill ID” box in the Coverage builder quoting process.
3. And enroll.

Who is it great for?

- Employers who want their employees to have access to supplemental products at their own expense but with streamlined billing.
- Employer groups where eligibility cannot be met for group or worksite programs.
- Employers and associations who want to offer customized health insurance and supplemental coverage.
